The fact that Shorthorn steers are winning more and more interbreed championships is a good indication that the breed embodies today's most accepted type. This class of steers shows the breed's thickness and depth of quarter.

THE CENTRAL STATES SALE

"Sale of the Money Makers"

OSKALOOSA, IOWA

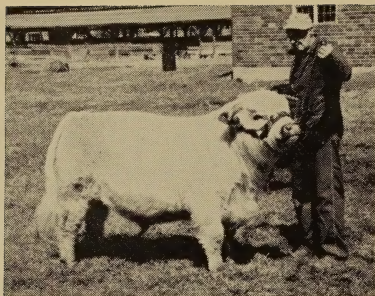

SATURDAY, OCTOBER 7, 1967

26 BULLS

38 FEMALES

40 CLUB STEERS

There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

Gilbert Kardel, Walcott, Iowa, poses Marberdor Prospectus 12th, his reserve champion bull at a former Oskaloosa Sale. Kardel is consigning a bull to this year's sale.

GENERAL INFORMATION

TIME—The sale will be held Saturday, October 7th. The show will begin at 9:00 a.m. The sale will get underway at 12:00 noon beginning with club steers and heifers.

LOCATION—Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

TERMS—Terms of this sale are cash unless other arrangements have been made with consignor from whom you purchase and the sale manager is notified.

GUARANTEE—All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

LUNCH—Lunch will be served on the grounds by the ladies of the Central Reform Church.

AUCTIONEER—Tom Sherlock.

SALE MANAGER—Bill Stunkel, 1228 N. Nye Ave., Fremont, Nebraska.

RINGMEN—Arch Stone, Wallace's Farmer; Wayne Farnum, Victor, Iowa, and Adrian Meierotto, West Point, Iowa.

Bill Anderson holds his 1967 Ft. Worth, Iowa and Minnesota State Fair grand champion, WL Golden Glory by Louada Rothes Prince. Three half brothers to this popular champion sell in this sale.

INDEX TO CONSIGNORS

Lots 58, 59, 60, 61, 62 and 63

Champion Reserve Champion

PAIR

CLASS XII—Best Pair, bull and female, owned by Exhibitor.

The C. E. Stewart Traveling Trophy will be awarded to the exhibitor of the champion bull.

Long's Livestock Co., Oskaloosa, will award a trophy to the exhibitor of the champion female.

The Mahaska Veterinary Clinic, Oskaloosa, will award a trophy to the champion pair.

The Mahaska State Bank, Oskaloosa, will furnish ribbons to the top three winners in class.

Your sale manager will offer a trophy to **premier consignor** based on total cash receipts of any consignment.

This calf was the interbreed grand champion steer at the 1963 Iowa State Fair for Sally Hass. He was bred by Donald Johnson, Oxford, Ia., consignor to this sale.

40 CLUB STEERS...

One of the best groups ever brought forward at this sale. Past sales have produced many breed and interbreed champions . . . last year's Central States Sale probably produced the largest number to date.

CLUB CALF CONSIGNORS

Dale Neifert & Son, Knoxville	2 or 3
Leo & Adrian Meierotto, West Point	2
Lloyd Burr & Son, Lone Tree	2
Leland Kellogg & Sons, Colo.	5
LeRoy Patterson, New Sharon	4 or 5

Earl & Pat Johnson, Oxford	2 to 4
Fennern Bros., Vinton	3
Penningroth Bros., Wellman	1
Larry Sexton, Ainsworth	2
Whetstein Bros., Wellman	4 or 5

We are expecting a few more steers on sale day
in addition to those listed.

Until further notice, the owner of any Shorthorn or Polled Shorthorn club steer or heifer purchased in a Central States Sale which wins a breed championship in any 4-H or FFA show will, upon notification of Association Secretary, Mrs. Wayne Farnum, Victor, receive \$10 from the Central States Association.

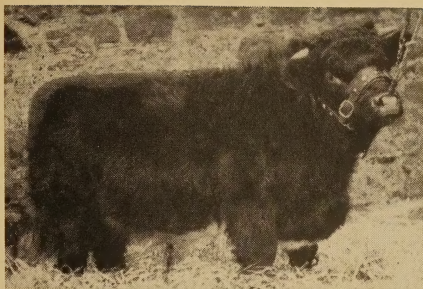

BUY THOSE BULLS NOW:

Demand for Shorthorn and Polled Shorthorn bulls has increased to a point where it is becoming increasingly difficult for existing breeders to supply the demand. The reasons are obvious.

Shorthorn and Polled Shorthorn bulls put more weight into their calf crops . . . their daughters are better milkers which, in turn, results in heavier weaning weights . . . Shorthorn bulls work the pastures better and shorten the calving season . . . Shorthorns gain better in the feedlot than other English breeds and produce a carcass more acceptable to the packer than the new, exotic breeds . . . no breed of beef cattle produces as much improvement in one cross as Shorthorns.

Because Shorthorn and Polled Shorthorn bulls are being so eagerly sought, it is obvious that they will be in short supply again next spring. Consequently, we thoughtfully suggest that those of you interested in buying a Shorthorn, or Polled Shorthorn bull, do so this fall while the selection is still broad and prices not inflated.

We have a record-sized offering of bulls in this sale. Never have we had so many from top, reputation herds. Prices are always reasonable at Oskaloosa and it is doubtful if any sale gives you more for your money. ATTEND THIS SALE AND BUY AN IMPROVING SIRE.

BAPTON CROCUS CHIEFTAIN . . .
An \$1,800 son of Chapelton Commando. Purchased in the 1959 Leveldale Sale, he is doing a fine improving job for Jones Bros., Granger, Missouri. He is the sire of one bull and two females in this sale.

LO REX KINROSS PREFECTx—A very blocky bull that should produce a wonderful group of club calves. Sired by a grandson of Calrossie Prefect, a line that has consistently produced the best quality calves we have ever had.

Consignors to the annual Central States sale produced some of the best cattle in the nation. This bull, **PF DIVIDEND**, was the grand champion at the 1963 Iowa State Fair for Penningroth Bros., Wellman, Ia., who are consignors of four head to this event. This bull later was reserve champion at the International Congress sale, where he sold for \$2,500. Lot 4 is a maternal brother.

P F DALTON—A senior yearling from our show herd, placed third at the 1966 Iowa State Fair as a senior calf. His dam is the best bull producing cow we have in our herd. She produced the 1963 Iowa State Fair grand champion bull that later sold for \$2,500 in the International Sale. Three other bulls placed first or second at the Iowa State Fair. The four bulls she has produced averaged \$1,280. Anyone in need of an outstanding bull certainly could consider this one.

THE SALE OF MONEY MAKERS

Oskaloosa has been nicknamed, and rightly so, "THE SALE OF THE MONEY MAKERS". Study the list of consignors . . . study the wealth of breeding in the consignments . . . refer to past sale averages at Oskaloosa. You will come to the conclusion that nowhere are more good "honest" bulls and females offered and at prices that the average farmer and breeder can afford to pay. Buy the breeding that has won at the International, National Western, Ak-Sar-Ben National and other top shows and sales in this District Sale event. While some breeds are being promoted into prominence, the Shorthorn breed is **PERFORMING ITS WAY** into the hands of more and more cattlemen. If you are not a Shorthorn breeder, join the ranks of America's most stable and dependable cattle breed.

WHAT IS HE WORTH?

What is a good Shorthorn commercial bull worth? Those of you who have had experience with Shorthorns know their superior profit making ability and have a figure in mind. For those of you who have not had experience with Shorthorns, we cite this story . . .

Ray Holder, Harrisonville, Mo., used a Shorthorn bull on 20 cows of another beef breed. He used a bull of the same breed as the cows on 20 others.

Nineteen crossbred calves resulted. These were developed the same way and on the same feed as his straightbred calves. At the end of eight months, when sold, the crossbreds averaged 189 lbs. a head more than the straightbreds and sold for the same price. The heifers sold for \$20.00 per cwt. and the steers for \$23.00.

A little arithmetic shows that the Shorthorn bull added \$43.47 to the value of every steer calf and \$37.80 to each heifer calf. If ten of these were steers and nine heifers, the added return from using a Shorthorn bull was \$774.90 on just one calf crop of 19 head.

Good Shorthorn and Polled Shorthorn bulls make you money. We have the profit-making kind in this sale.
